PROFESSIONAL EXPERIENCE

Pharmacy Technician

Medask Pharmacy, CMH Malir Cantt, Karachi

2 Years

- Supported the duty pharmacist in dispensing prescribed medicines, re-checking drug name, strength, dosage form and quantity before hand-over to help prevent dispensing errors.
- Guided patients and attendants on dosage timing, course completion and storage in clear Urdu and English, referring all clinical questions to the pharmacist.
- Maintained shelf arrangement by therapeutic category and tracked batch numbers and expiry dates, pulling near-expiry stock and coordinating supplier returns.
- Handled refrigerated and temperature-sensitive items with routine storage checks and correct cold-chain practice.
- Recorded daily issues, receipts and sales, assisted with physical stock counts, and kept the counter calm and orderly during peak OPD rush.

Supervisor

Asma Medical Store, Kala Board, Malir, Karachi

2 Years

- Supervised day-to-day store operations and a small counter team, allocating duties, shifts and opening / closing responsibilities.
- Placed purchase orders with distributors, checked deliveries against invoices, and kept fast-moving lines continuously in stock.
- Controlled inventory through regular physical counts, reorder-point tracking and first-expiry-first-out rotation, reducing dead and expired stock.
- Resolved customer complaints at the counter and trained new staff on medicine handling, storage conditions and professional conduct with patients.

Senior Sales Person

Noor Medical Store, Karachi

1 Year

- Served customers at the front counter, locating requested medicines and referring substitution requests for approval.
- Handled billing, cash and end-of-day sales reconciliation with accurate record keeping.
- Maintained clean, clearly labelled and well-stocked displays, building strong communication and patient-handling skills in a high-footfall neighbourhood pharmacy.
